Why people love Holistics

“ Fantastic BI tool with the best price-to-value ratio. We use Holistics to promote a self-service data culture.

Business Intelligence Manager
at Cisco

“ It took me 2 hours to build the same report in Holistics that I took 16 hours to build in Tableau.

Chief Product Officer
at Ordo

“ This is Looker, but way better. The improvement in self-service is what we've all been waiting for!
